

Achieve Luxury Acoustical Performance

Keene Building Products' Introduces

CYLENT ASSURANCE CLIP

a sound isolation clip for ANY RC-1 channel

website info

Works with Any Application

- Single, multi-family & commercial construction
- Tested ceiling & wall assemblies
- Designed for use with any RC-1 channel
- Wall studs: timber or metal
- Ceiling joists: I-joist, open web truss, nominal lumber & metal studs

Benefits

- Dramatically increases the IIC & STC ratings of the floor/ceiling and wall assemblies
- Combined with Quiet Qurl® Sound Mats, Space Assurance™, & GSL® Gypsum Concrete provides a full system approach to acoustical concerns
- Protects against short circuits

The KEENE Complete Acoustic System

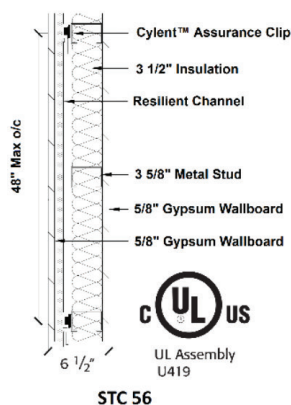

- 3/4" GSL K2.6
- Quiet Qurl 013 MT
- Cylent Assurance Clip
- Space Assurance
